Tomorrow, 22:00 HKT	GOOGL	Advertising revenue, YouTube performance, cloud computing segment growth

Stocks Worth Watching

- **NVDA** : Expected to report strong earnings growth, driven by demand for AI and gaming products

- **AMZN** : Announced a new partnership with a major retailer, expected to boost sales and revenue
- **JPM** : Reported strong earnings, driven by growth in consumer banking and investment banking segments
- **GS** : Announced a new share buyback program, expected to boost shareholder value
- **TSLA** : Expected to report strong deliveries and revenue growth, driven by demand for electric vehicles
- **AVGO** : Announced a new product launch, expected to boost sales and revenue

What Could Break the Tape

BEARISH TRIGGERS

A surprise interest rate hike by the Federal Reserve could lead to a market downturn, as higher borrowing costs could slow economic growth and reduce consumer spending.

BULLISH TRIGGERS

A strong earnings report from a major tech company could lead to a market rally, as investors become more optimistic about the sector's growth prospects and the overall health of the economy.
