What Could Break the Tape

BEARISH TRIGGERS

A further surge in the 10-year yield could lead to a market sell-off, as higher interest rates may reduce the attractiveness of stocks. Additionally, any negative developments in the US-China trade negotiations could also weigh on the market.

BULLISH TRIGGERS

A strong earnings season could boost investor sentiment, leading to a market rally. Furthermore, any positive developments in the US-China trade negotiations could also lead to a surge in stock prices.
